✓ THE SUN DOWN LIMITED

By Hal E. Roach. ✓

Our Gang becomes imbued with the idea of being transportation Kings and so they build their own engine and cars and start in opposition to the Big Four. Business is good, the engine puffs steam and the wheels revolve. All goes merrily on until a rival juvenile company opens a switch and pandemonium breaks loose. The Sun Down Limited, with many passengers aboard runs amuck through the little town's biggest street, and the fearful joy ride ends only when the home-made outfit collapses through utter fatigue.
